

# **DURHAM HIGH SCHOOL *for* GIRLS**

## **National Schools' Competition**

Durham High School for Girls is proud to be an Academy for Girls' Sport and is delighted that two of the three age-groups entered for the National Schools' Competition, have qualified for the Regional Round in Netball.

It is the first time that the U/14 age-group has entered a team and they are thrilled to have qualified. The U/14 team (picture enclosed) will go forward with the U/19 team to play at Blue Flames in Newcastle in January 2010.

Headteacher Ann Templeman said "We are thrilled that our teams have demonstrated that High School pupils excel in sport as well as academically".
