

DURHAM HIGH SCHOOL *for* GIRLS

REGIONAL FENCING CHAMPIONSHIPS

Pupils at Durham High School for Girls - Maddy Whitfield, Georgia McMillan, Kaitlin Faircloth and Emily Wren, who are all currently in Year 7, competed in the regional fencing championships at the weekend. All girls did well in their qualifying pools and made it through to the afternoon Direct Elimination competition.

I am pleased to report that Maddy Whitfield won the competition outright and as such has been crowned U12 Regional Champion in the foil discipline for 2010, with Georgia McMillan finishing second. Both will now go forward to represent the North East at the National Champs in Sheffield in May.
