

JOINT LESOTHO SERVICE

On Wednesday 9 February Infants from Durham High School for Girls and St Oswald's C of E School held a service in St Oswald's Church Durham, to raise awareness of the needs of children in Lesotho and launch a joint initiative to raise funds to support orphanages.

Children with their families and friends participated in the service with their own songs and prayers, as well as displaying some wonderful artwork.

Both Head Teachers, Mrs Gill Settle and Mrs Gill Harrison are delighted to be working in partnership to help and support vulnerable children in Lesotho.
