Year 11 pupils at Durham High School are today celebrating a fantastic set of GCSE results with nearly a third of entries awarded the top grades 9-8 (A^- A\* for Further Maths). Of the 48 girls in the year group, 6 achieved 9 or more subjects at grades 9-8.

Headmistress, Mrs Simone Niblock, congratulated the girls on their hard work and well-deserved success:

*"GCSEs are now extremely content-heavy and these results reflect the tremendous efforts of our pupils and of their teachers who are always willing to go the extra mile in their support for each individual girl."*
